Guidance

Please refer to Parts [45-2060] to [45-2081] of the Land Title Practice Manual for guidance on completion and execution of this form and refer to Part 45 generally for further guidance on titles instruments involving Community Titles Schemes. Some brief guidance on the completion of item 3 has been included below for the quick reference of those who are already familiar with executions of titles instruments by a Body Corporate.

Signer Authority Guidance:

Representative of a Registered Owner means a natural person (individual) whose name is recorded on the body corporate's roll as the representative of the registered owner of a lot that is included in the scheme – Refer to Part [45-2070-1] of the Land Title Practice Manual.

Registered Owner – Individual means a natural person (individual) who is the registered owner of a lot that is included in the scheme. If a lot is owned by 2 or more people, it is acceptable for only one of the registered owners to sign the relevant certificate – Refer to Part [45-2070-2] of the Land Title Practice Manual.

Registered Owner - Corporation means the officeholder of the position of 'Director' or 'Secretary' for the corporate entity that is the registered owner of the lot. It is acceptable for only one office holder (Director or Secretary) of a Corporate Entity to execute on behalf of the Corporation in this instance, as by doing so they confirm they are signing as Agent on behalf of the Corporation and hold the requisite authority to do so – Refer to Part [45-2070-4] of the Land Title Practice Manual. The name and A.C.N of the corporation must be included in the 'Entity' field.

Body Corporate Manager under Chapter 3, Part 5 means a Body Corporate Manager appointed under Chapter 3, Part 5 of the respective Module Regulations to perform the functions of the body corporate committee. This is applicable only to Standard Module, Small Schemes Module and Accommodation Modules. This type of body corporate manager should not be confused with the more common type of body corporate manager that assists with the administration of the body corporate - Refer to Part [45-2070-5] of the Land Title Practice Manual.

Person specified as Signatory in the Body Corporate resolution authorising the transaction means the person identified (by name) and specifically authorised in the body corporate resolution, as the person who should execute the instrument. By signing in this way, the person signing confirms that they are one and the same person as is specified in the resolution to sign the instrument and that they have the authority to sign it. A copy of the resolution is not required to be deposited with this form to confirm this authority – Refer to Part [45-2060] of the Land Title Practice Manual.

Constructing Authority - Authorised Officer means the officer for the Constructing Authority that is authorised to execute on behalf of the Body Corporate pursuant to Section 12A of the *Acquisition of Land Act 1967* and Section 51 or 51A of the *Body Corporate and Community Management Act 1997*. The name of the Authorised Officer must be completed in the 'Signer Name' field, and the name of the Constructing Authority e.g. 'Department of Transport and Main Roads' must be entered into the 'Entity' section – Refer to Part [45-2068] of the Land Title Practice Manual.
